Sir,

Subject - Acquisition of certain properties in Hassan for the improvement of the town

---

In forwarding herewith a copy of letter No H C 8/41 dated 14th October 1941 with its enclosures from the President, Municipal Council, Hassan on the above subject, I have the honor to state that the following properties are proposed to be acquired by the Municipal Council, Hassan

(1) An extent of 13 acres and 11 guntas of dry land comprised in S No 112, 111, 110 and 109 of Hassan Kasaba for the cattle show grounds

(2) An extent of 763¼ sq ft of houses and vacant site for the formation of foot-path in the Bazaar street

(3) An extent of 2 acres 28 guntas of garden land comprised in S Nos 441/1, 442/2, 445, 450/1, 447 and 453 of Hassan Kasaba for keeping the premises clean and tidy as an antemalarial measure

The total cost of acquisition is estimated at Rs 10,078/- as per enclosed valuation statement submitted by the Sub Division Officer The Municipal Council have resolved at their meeting held on 27th Sept 1941 that in view of the slender resources of the Municipality, the amount required may be sanctioned by Government as grant A copy of the resolution is herewith enclosed

With regard to the acquisition of properties referred to in item Nos 1, I am of opinion that the Municipal Council cannot expect any portion of the cost of acquisition as it is no legitimate charge on the Town Improvement Funds Moreover the Municipality is realisi

a handsome income from the cattle show and they have to find funds required. If they cannot do so this year, the proposals may be deferred to next year when necessary provision will be made in Budget of next year

Item No 2 is a small one, and the Municipal Council ought to find funds for it The Municipal Council will be asked to do so.

As regards item No 3 however, the acquisition is essential and urgent in the interest of the health of the town It forms one of the antemalarial measures to acquire this land to clear it of vegetation and fill up the insanitary pits The spot is found to be one of the main centres of malaria breeding It has been observed by the Ex-Dewan that these garden lands should be acquired vide subject No 32 of the Dewan's Tour Notes of April 1941 A copy of D O letter No 664 dated 1st March 1941 addressed to me by the Superintending Engineer, Shimoga Circle in this connection is herewith enclosed for kind perusal

The Budget of the Municipality as sanctioned by Government for the current year stands at a debit balance Even without making any provision for acquisition, ~~and~~ the expenditure on this account cannot be met by them

In these circumstances I request that sanction of Government may kindly be obtained to a grant of Rs 3,440/- out of the reserve under Town Improvement grants for the current year for acquiring these lands in view of the urgency and importance of the work

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District

D O letter No 664 dated the 1st March 1941 from the Superintending Engineer, Shimoga Circle, Shimoga, to the Deputy Commissioner, Hassan District.

=====

When I interviewed the Dewan some time back at Bangalore, he was pleased to observe that it was necesssary to close up all swamps near the Circle at Hassan and asked me to intimate to you that proposals for acquisition of gardens etc., in that area would be favourably considered and that additional funds would be granted by Government.

I have requested the Executive Engineer, Hassan to render all assistance in the matter to you and the Municipal Council.

With regards.
